### **EXPLORE THE LOBSTER CAPITAL OF THE UNIVERSE WITH LIGHTHOUSES & LUXURY TOO**

Rockland, ME -- They call Rockland, Maine the Lobster capital of the universe. Why? Its seaport legacy goes way back to more than a century and a half ago when it was among the busiest of seaports on the East Coast. Lobstering has been a key component among the fishing industry of Maine's Midcoast for a long time. The proclivity for fresh-from-the-sea Maine lobster was the impetus for the country's [largest Maine Lobster Festival](#) held each year in Rockland for the past 67 years. And Maine lobster is the reason the [Historic Inns of Rockland](#) have created a fabulous package offering unique ways to enjoy the lore of the luscious lobster! Throw in a choice of three luxurious Rockland inns and Maine lighthouses too, and you've got everything it takes for the perfect Maine June getaway.

#### **Historic Inns of Rockland's Lobsters, Lighthouses & Luxury Package**
