

LOBSTERS, LIGHTHOUSES AND LUXURY, OH MY!

Think of Maine, now, what came to mind first-- lighthouses or lobsters? With the Lobsters, Lighthouses and Luxury package, both get equal billing. The Historic Inns of Rockland, in conjunction with Maine Lighthouse Week, June 13-20, have put together an all-inclusive package featuring lighthouse tours and a visit to the Gateway Center and Maine Lighthouse Museum. The highlight of the package-- a ride on Captain Jack's lobster boat-- features a first-hand look at lobster hauling.

A stay at one of Rockland's historical inns-- LimeRock Inn, Berry Manor Inn and the Captain Lindsey House-- rounds out the luxury portion of the package. Accommodations include breakfast for two each morning, a lobster dinner at a Rockland restaurant and a complimentary copy of the book *Lighthouses of Maine*.

Prices for the two- or three-day packages, available throughout June, range from \$340 to \$620 per couple, depending on length and time of stay and the inn chosen. To make your reservations or for more information, call the inn of your choice: LimeRock Inn, (800) 546-3762; Berry Manor Inn, (800) 774-5692; Captain Lindsey House, (800) 523-2145; or visit historicinnsfrocland.com.
